

An introduction to an informative and factual blog post titled "nukkad natak script in hindi on social issues pdf 86". A nukkad natak film is a street play that presents the plot through the dialogues between actors. Nukkad films are very popular in India because they can tackle many difficult social issues to reach out to large audiences. The article explains how these films can address health, environment, sanitation, and other important topics by connecting with people in person. The article also offers a script for your use if you would like to stage your own nukkad natak film.
